

MODEL TAL-3100C

Continuous Duty Tamp Label Applicator

Providing Economical Solutions In Tamp Labeling Systems

The model TAL-3100C Continuous Duty Tamp Label Applicator from the TAKE-A-LABEL, Inc.

Drawing on 30 years of experience in design and manufacturing, the TAL-3100C will provide a trouble free Tamp labeling system. Standard features such as photo cell label sensor, solid state electronics and simple operating controls make the TAL-3100C the perfect choice for integration into many applications. The TAL-3100C compact size allows it to be placed in locations where many other units just would not fit.

When space is tight and ease of operation is a requirement not an option, the TAL-3100C can be your Labeling Solution.
